

Looking for Sponsorship and/or a Ride

I am looking for additional sponsorship and/or a ride either for the Camping World East Series or in a Late Model in the Whelen All-American Series.

- I currently have a team ready to put me in a Camping World East Series Ride but I need additional sponsorship.
- Even if I get the East Series ride I would like to race as many Late Model races as possible. I am very good at dialing a car in quickly and qualifying well. I can help a team to be up front.
- In exchange for an opportunity to race, I will help other drivers shake-down and practice their equipment.

Experience:

- 2 full years in Late Models
- 3 Busch East Races in 2008, including the Toyota All-Star Showdown

Highlights:

- Qualified on the pole 4 times at the Motor Mile Speedway in Radford, Va.
- Qualified on the pole and set the new track record at the 2007 Thanksgiving Classic at the Southern National Speedway.
- Qualified 14th out of 65 of the best Grand National Series drivers at the Toyota All-Star Showdown my first time at the Irwindale Speedway (with only 20 laps of practice).
- Made the field in the Bailey's 300 the first year I entered at age 17 and have made the field every year since.
